

Aniracetam Nootropic Powder Supplements CAS 72432-10-1 Brain Enhancement Drug

Our Product Introduction

for more products please visit us on bodybuild-supplement.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 10Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Aniracetam
- Purity: 99%
- Appearance: White Powder
- Cas: 72432-10-1
- Usage: Brain Enhancement
- Highlight: Aniracetam Nootropic Powder Supplements, Brain Enhancement Nootropic Powder Supplements, CAS 72432-10-1

Product Description

Purity 99% Brain Enhancement Drug Nootropic Raw Powder Aniracetam CAS 72432-10-1

Product Description

Our Product

Product Name	Aniracetam
CAS No	72432-10-1
Molecular formula	C ₁₂ H ₁₃ NO ₃
Molecular weight	219.237
Grade	Pharmaceutical Grade
Color	White crystalline powder
Purity	99%
Shelf Life	2 years

Product Name: Aniracetam
CAS: 72432-10-1
MF: C₁₂H₁₃NO₃
MW: 219.24
Synonyms: 1-(4-methoxybenzoyl)-2-pyrrolidinon ;1-(p-methoxybenzoyl)-2-pyrrolidinon ;1-p-anisoyl-2-pyrrolidinone
Melting point: 121-122 °C
Storage Temp: Store at RT
Walter Solubility: Soluble in chloroform. Also soluble in ethanol. Insoluble in water
Appearance: White crystalline powder
Application: Pharmaceuticals
Test Method: HPLC Purity 99%
Sample Policy: Samples available
Payment Term: L/C, TT, Western Union, D/P, Paypal
Packing Method: Vial/aluminum foil bag/carton/drum
OEM Service: Customized as guests request---Nootropics capsules
Storage: Store in cool and dry places, keep away from strong light.
Shelf life: 2 years when properly stored.

1. Aniracetam/Aniracetam Powder (1-[(4-methoxybenzoyl)]- 2-pyrrolidinone) is a fat-soluble analog of the nootropic Piracetam. While it shares many of Piracetam's effects on the brain it has two main unique advantages Piracetam does not have:
2. Being fat-soluble, Aniracetam has far better penetration into the brain through the blood-brain barrier.
3. Aniracetam / Aniracetam Powder is a potent stimulator of the brain's Glutamate AMPA receptors. AMPA receptor research is considered an exciting development in studying and enhancing cognition.
4. Aniracetam / Aniracetam Powder is an analog of piracetam, it can improve memory recall, reaction, and detail. Like all of the piracetam's analogs less aniracetam is required, (i.e. milligram dose per kilogram body weight).

Aniracetam Benefits:

As stated above, Aniracetam can have many off-label uses. It is considered a fairly safe and low toxicity substance to improve cognition and memory or reduce anxiety symptoms. Like other racetams, it can have the added benefit of reducing free radicals and oxidative stress in the brain which can lead to degenerative diseases and neurological complications. It should not be used as a mainline of defense or treatment for degenerative diseases like Alzheimer's and Dementia but may have merit in reducing some of the symptoms associated. Below, are some of the commonly observed benefits of Aniracetam. Results may vary.

Improved Memory:

Increased Learning Ability
Improved Cognitive Processing
Heightened Reflexes
Heightened Perception
Reduced Anxiety
Reduced Depression

Aniracetam Dosage:

Doses between 10 mg/kg body weight and 100 mg/kg bodyweight have been used in rats with efficacy in laboratory settings. Limited human evidence finds that oral doses in the 1,000-1,500 mg range (over the course of a day) tend to be effective.

Doses as low as 400 mg have been reported to have some efficacy, and it is common to take the above 1,000-1,500 mg aniracetam in two divided doses of 500-750 mg twice daily with meals.

Aniracetam powder has a highly bitter taste, so capsules may be a better purchase for those who wish to avoid that.

To better ensure the safety of your goods, professional, environmentally friendly, convenient and efficient packaging services will be provided.

We will deliver the goods intact to you by express.

If you want to know the shipping cost, please send an inquiry with your address.

Advantages

Payment method	T/T, Western Union, Bitcoin, Alipay, WorldRemit
Certification	BP, ISO9001, USP, GMP
Customs issues	100% No customs issues

Supply capacity	10000kg/month
Packing	1kg/aluminum foil bag,25kg/cardboard drum or as customers'request
Transportation	DHL,Fedex,EMS,HK&T,UPS
Delivery time	Within 24 hours after payment
Arrival time	Within 12-15 days
Factory Address	hebei,China
Factory scale	2000-4000 square meters
Staff member	above 50 people
QC personnel	20people
RD personnel	10 people
Production line	above 10
Export rate	above 90%
Export market	Global
Terms of Delivery	FOB
Payment currency	US dollar,Euro
