

Raw Progesterone Female Health Supplements CAS 57-83-0 For Irregular Menstruation

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 10Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Progesterone
- Cas: 57-83-0
- Appearance: White Powder
- Purity: 99%
- Usage: Irregular Menstruation Treatment
- Highlight: **Progesterone Female Health Supplements, Female Health Supplements CAS 57-83-0**

Product Description

High Quality Raw Powder Progesterone for Irregular Menstruation Treatment CAS 57-83-0

Product introduction

Product name	Progesterone
CAS No.	57-83-0
MF	C21H30O2
MW	314.46
EINECS No.	200-350-6
Density	d23 1.166; d20 1.171
Boiling Point	394.13°C (rough estimate)
Melting Point	128-132 °C (lit.)

Description:

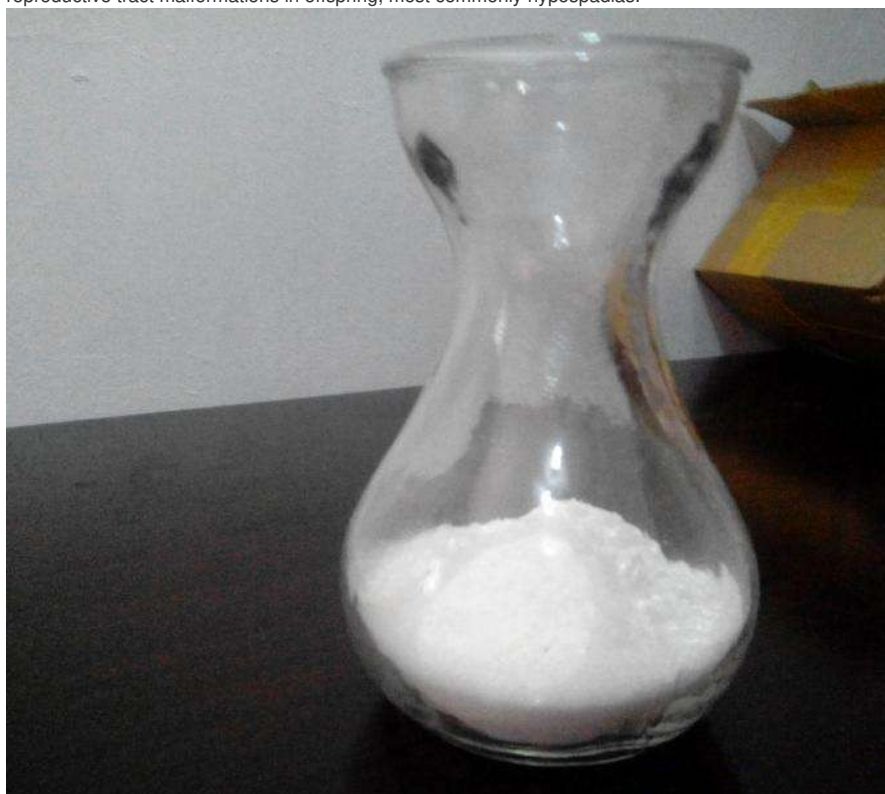

Progesterone (progesterone), also known as progesterone hormone, progesterone hormone, is the main biologically active progesterone secreted by the ovary, the molecular formula is C₂₁H₃₀O₂. Before ovulation, the amount of progesterone hormone produced per day is 2 to 3 mg, mainly from the ovaries.

Uses:

1. Progesterone test.
2. Tire protection.
3. Dysfunctional uterine bleeding caused by anovulatory or luteal insufficiency.
4. Amenorrhea.
5. Dysmenorrhea.
6. Menorrhagia.
7. For the treatment of menstrual disorders (such as amenorrhea and functional uterine bleeding), luteal insufficiency, threatened abortion and habitual abortion, and premenstrual syndrome.
8. As a sustained-release hormone drug in an intrauterine device.
