

Dexamethason Chemical Raw Materials CAS 50-02-2 99% Purity For Anti Allergic

Our Product Introduction

for more products please visit us on bodybuild-supplement.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 10Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Dexamethason
- Cas: 50-02-2
- Appearance: White Powder
- Purity: 99%
- Usage: Anti-allergic
- Highlight: **Dexamethason Chemical Raw Materials, Anti Allergic Chemical Raw Materials, CAS 50-02-2**

Product Description

Pure Dexamethason Raw Powder CAS 50-02-2 99% Purity On Supply

Description:

Product name	Dexamethason
Appearance	White Powder
CAS No.	50-02-2
MF	C ₂₂ H ₂₉ FO ₅
Purity	99%
Storage	Keep in cool dry place.

The Introduction and Function of Dexametasona :

Dexamethason, also known as flumethasone, is a synthetic adrenal cortex hormone. It is a glucocorticoid anti-inflammatory and anti-allergic drug. Its pharmacological effects are mainly anti-inflammatory, anti-toxic, anti-allergic, and anti-rheumatic, and it is widely used in clinical practice.

Dexamethason, like other glucocorticoids, has pharmacological effects such as anti-inflammatory, anti-endotoxin, immune suppression, anti-shock and enhancement of stress response, so it is widely used in various departments to treat many diseases, such as autoimmune diseases and allergies. , Inflammation, Asthma and Dermatology, Eye Diseases.

The COA of Dexametasona:

Items	Specifications	Results
Appearance	White or almost white powder	Complies
Solubility	Slightly soluble in methano, ethanol, acetone or dioxan, slightly soluble in chloroform, very slightly soluble in water.	Complies
Identification	Positive	Complies
Specific optical rotation	+ 72° - + 80°	+ 78.5°
Loss on drying	≤0.5%	0.18%
Residue on ignition	≤0.2%	0.02%
Individual impurity	≤0.5%	0.22%
Total Impurities	≤2.0%	0.65%
Bacterial endotoxin	<1.2 EU/mg	<0.5 EU/mg
Assay (anhydrous)	97.0% - 102.0%	99.8%

HNB Biotech company details

Xi'an Harmonious Natural Bio-Technology Co., Ltd. was founded in 2010, and located in Xian International Logistics Industrial Zone, Xi'an City, Shaanxi Province, China. Now it is the leading researcher and one of the biggest manufacturer in high technology API area.

There are 8 experts in our research team. We insist in innovation and produce high quality products. And GMP standard workshop and complete stainless extraction equipment. We have 2 sales departments over 20 people and sell our products all over the world.

We also have strong professional research and development team, talented personnel and completely equipped laboratory for the quality controlling. Various Detection Device is equipped in HNB company, such as HPLC, GC, Spectrophotometer, AAS, Polarimeter, Auto titrators, BOD Incubators, COD Incubators, Melting point apparatus and so on.

HNB mainly engaged in export of products including, without limitation, pharmaceutical raw materials both for vet and human, also Vitamins, Amino Acids, minerals, peptides, plant extract, feed and food additives.

Our company's business is based on Honest, Trustworthy, Constantly to Go Beyond and Achieve Mutual Win. Sincerely hope to strengthen exchanges and cooperation with friends from both home and abroad.
